Performance-Based Patient-Centric Janitorial Solutions Delivered as a Service and Engineered for Optimum Effectiveness & Best Value for Money

#### THE CHALLENGE

Our Customers indicate dissatisfaction with the typical services provided at their locations. Challenges include: outdated cleaning procedures, green cleaning non-compliance, employee turnover, and increased costs.

#### THE SOLUTION

To address these challenge, SRL Total Source offers a proven acquisition approach. We prioritize staffing agile, innovative, and conscientious employees that apply their training, leverage their green cleaning processes, and lean on their experience to meet customer needs. We also utilize tailored and automated software to provide cutting-edge results, reports, and cost savings.
